

Download Ebooks

Log In

1. Go to www.ebooks.aspenlaw.com.
2. Once you are in your institution's subscription, login with your personal account.

Download App

3. If you don't have iPublishCentral Reader app installed, click **Download App** and click or tap the file to install it.

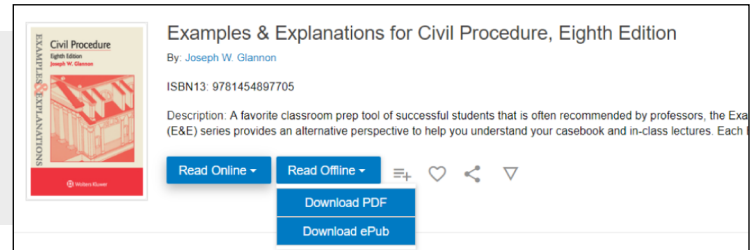

Tips

Login with your personal account before you download so that your notes and highlights sync when you are back online.

You must initiate the download while you are online in a browser.

Find your Book

4. Search for a title or filter by category.
5. Select **Read Offline** and choose a format to download.

iPublishCentral Reader for PC/Desktop

If you have downloaded the application, click the green arrow to continue downloading the title.

The book can be downloaded only once per session.
